About Us

OJYA Group is one of leading manufacturer & exporter of health care, personal care & beauty care products. We have started manufacturing & exports of these premium products in 2006 in Delhi, INDIA, VJS Group soon emerged as path breaking organization, creating & producing safe natural based health care, personal care, beauty care products and fragrances which can meet all international quality standards. our factories are located in the Delhi & Delhi NCR regions in INDIA and we are now considered the leading manufacturer & exporter of these natural based products and exporting products to a large number of countries throughout the world. In year 1998 VJS PHARMACEUTICALS started exporting with its very first Brand VISIBLE EFFECTS to the various Arabic & International Markets. Now we export our products under the popular & established international brands such as OJYA, ZAREEN, NOUR & JLS to more than 50 countries around the world, which includes countries like Middle East & Gulf, South Korea, Indonesia, Turkey, Sudan, Egypt, Saudi Arabia, United Arab Emirates and many others. We and our valued partners, work 24X7 on improving the brand distribution in Key International Market Outlets including HyperMarkets, Super Markets, Beauty Salons, Hotels, Spa and Pharmacies.

Apart from this OJYA group has also ventured into Hotels & Resorts and Beauty Clinic Businesses. OJYA GROUP is striving hard to create a chain of hotels and resorts under brand "Ashoka International" & a network of beauty clinics across India under the brand VISIBLE CHANGE COSMETIC CLINICS.
